### The Premises:

The well known block in Chelsea , a haven for clients as it's so discrete , peaceful and very safe!  
Cosy very clean room .

### The Lady:

Louisa is a lovely slim girl , pretty and full of smiles ,very long auburn hair .Though slim she has a gorgeous pair with large nipples , and a curvy soft girlie bum ! All in all a wonderful lithe sexy figure !  
From Europe but with near perfect English - you just know in a few minutes don't you that this could be a nice time!On arrival she was dressed in a tiny see through and very high heels.

### The Story:

Had a chat and was impressed with the hospitality of tea , Smirnoff Ice and lots of different biscuits, fruit and chocolates! I wish she was my mum! Talking of which I couldn't wait any longer for those boobies and sat on the bed as she stripped slowly standing before me and at last out they jumped!So lovely to suck and kiss , so firm but soft.After some cuddles and her hands playing with me it was on with the condom and the fun and Louisa climbed on top to give me a lovely ride as her titties swung teasingly above me . Then some pounding doggy which I think by the noise is her favourite ! Getting very close so spun over to missionary so I could get my mitts under that gorgeous little soft bum and fuck her as deep as I could ! Had a wonderful climax inside her and she was sweet and encouraging me all the way . Very relaxed afterwards , no rush , bit more chat about London etc then took my leave . Altogether just a really nice time with a sweet lady , she's professional for sure but laid back too , recommended definitely .
