The Lady:

Pretty much like the pictures on the website. She is a real beauty, even though her tits are small and soft.

The Story:

She knocked at my hotel room a bit in advance. Asked her if she wanted a drink from the lobby bar, which she declined. I should have started suspecting something then.

She asked for her money, undressed and asked me to undress. No foreplay and no kissing, even though I asked for some. From then on it all went downhill, as she seemed interested in nothing more than making me come and getting out of my room as soon as possible. Rough, covered oral and quick sex in various positions and it was all over in 15min (during which she took 2 phone calls). Didn't even clean me, but left me on the bed to go to the bathroom and dress herself up.

Honestly she asked me if I wanted her to stay more, but as she had already excluded the possibility of a 2nd round, I had no interest in chatting with such a whore, so I let her go.

Worst way to spend 250 quid, ever!
