The Premises:

wfb must be known to most guys punting round Manchester.was clean and warm and everyone was friendly.

The Lady:

i would say that Linzi is just my type.pretty about 5'5,size 12ish,big breasts.tanned,dark haired with a great smile.

The Story:

i booked in with Linzi based on her reports(you can find her under "Linzi of Melton Keynes") and the photos on a couple of sites.Linzi came into the room while i was showering.very chatting and friendly.helped me get dried and than on to the bed.Linzi does everything that i like.I'm a simple man with simple tastes so don't think i was much of a challenge for Linzi to be honest.she's a great kisser.oral was slow and deep.i wouldn't say that i'm that well endowed but she took all i had,which was very impressive and a joy to experience.i then repayed the favour.Linzi said that she enjoys working up north because the men love going down.the southern men don't do it(madness).then on to cowgirl until Linzi got tired.offered different positions but i'm a bit lazy so went back to my favourite,the good old blowjob.it never fails to get the job done!!!cim was offered but always feel bad about it afterwards so declined.

in conclusion i would say that Linzi is great.if you ever saw jade at karens and miss that type of service then go see Linzi.i also think that like jade it will get better the more you see her.i've been punting since 95 and seen all the top women working in manchester and would say Linzi is a mix of all of them.

thanks Linzi.
