### The Premises:

easy to find, nice clean flat

### The Lady:

very busty, japanese thai mix i guess, very pretty face too

### The Story:

I am a fan of thais and having a japanese mix was a plus. very sweet personality. We started of with a nice shower were i recieved my 1st shower blow job. Awsome owo!, dried of to the room were i licked her pussy out, nice flowery pussy lips.

Next we were having sex like rabbits. she just has this way of making the whole encounter so naughty and a sexy session. i finish both in her mouth and on face, and in no time she was up for next round, but our time had ran out. ill book longer next. or not have shower to gain more time. but i really enjoyed the owo in shower time
