Details of Service Provider:

Profile Name: Indian Palace

Website: <http://www.indian-palace.com/>

Phone: 02070001908

The Premises:

Nice Flat, discreet and inside was nice and not many people watching or noticing activities, just how I like it.

The Lady:

Katrina is well presented, long dark silky hair with average looks. I'd say she is pretty but I was expecting more maybe as photos on the website are professional I don't know. But she had a good attitude and was pleasant.

The Story:

This was a good punt but the only thing I was disappointed about was no specialised services such as OWO, French Kissing etc. But taking that in to consideration she got me hard and emptied my sack so it wasn't a bad punt and for the price and seeing an Indian Girl I can't complain but I think I'll stick to Temptations in Uxbridge for the British Indian girls. Katrina had a slight accent so not sure if she is british but like I said if you are looking for an indian girl full stop then go to Indian Palace. I would visit again but I would like to be insured the lady is british indian first that's all. I also went over time as we were chatting and didn't notice and that was a good thing. She did perform several positions and gave oral with so I will give her 10 out of 10 for trying.

Service Provider's Rebuttal

The establishment writes:

We would like to say that Katrina IS 100% BRITISH BORN!

She has no accent! Katrina is very well spoken and has a very British born Indian tone to her voice! Most of the ladies at Indian Palace are British born. At the moment everybody is British born apart from two of the ladies. And the two ladies that are Indian born have lived and studied in London for a very long time!
