The Premises:

Entrance at the front, the front door is left slightly ajar if a lady is free.
The place is looking out of date but it was comfortable.

The Lady:

Jode is around late 20's I think, attractive with long dark hair, medium build, she is chatty and friendly.

The Story:

Rachels famously do not offer a full sex service, instead it's a nice long massage followed by various styles of HR.

I was offered a two girl session for an extra 30 - but alas no extra cash in my pocket!

It was my first 'Rachels' and I have to say it worked for me!

Jode's timing was wonderful - about 20 on my front and massaged all over with oil, slowly working closer to my man parts, then Jode took her top off and let me massage her front, then an extended very sensual HR with lots more oil - brilliant! Thanks Jode, bikerpaul shall return,
