The Premises:

This is such a lovely location between Covent Garden and Leicester Square. It is very clean and modern inside and decorated to a high standard.

The Lady:

Recka is a petite Indian girl with a lovely coffee coloured complexion. She has a lovely figure with natural breasts with sexy, big brown nipples and a superb, tight little bum. She is also very friendly and is great to talk to.

The Story:

I always enjoy coming here and this was no exception. The session started with a very relaxing massage, followed by covered oral which was wonderful! I particularly looked forward to sex from behind because Recka has a really lovely, petite and shapely bum. I enjoyed the reflection from the mirror across the room while blissfully pumping away. It really was terrific and for the finale I asked for a nice hand job. That was done to perfection and I caressed that lovely bum up to and including a really intense climax.

This place is a must if you are a fan of Indian girls.
