### The Premises:

Terrace house, central luton

### The Lady:

Gorgeous petite brunette Brazilian babe from Sao Paulo. Body and face to dream about

### The Story:

Very enthusiastic kisser, lots of groping from the start.

Fell onto bed and she took my cock into her mouth - great owo developing into 69 -not always successful I find, but this time it worked.

Finale was missionary followed by doggy. Really deep and churning - bum in the air and shoulders on the bed - just the way I like it. Full depth - wonderful.

Finished with a light massage and chat
