### The Premises:

Well known parlour in Welling, boarded up shop front with a large "65" on the front, entry is straight from street. The maid answered the door very quickly. Only thing that put me off was you sit on one of two sofas with other punters there were four ladies working but chose Nikki. I have been to this place about 8 times and had a good punt every time but Nikki was by far the best.

### The Lady:

about 5ft5 long blonde hair, pretty girl, very sexy body, shaved pussy, amazing bum, boobs about 34c with nice nipples the only thing that surprised me was she has had some serious tattoo work done.

### The Story:

We started chatting straight away very friendly girl, we got undressed, plenty of cuddles, she took it on herself to get me excited she would start by using her boobs, on with the condom into covered bj, she then jumped on me cowgirl and made a big deal about satisfying herself. I asked her did she enjoy it and she said the only reason she does what she does is that she is neever satisfied. We spent a while cuddling then I left very happy.
