The Lady:

Nikki is in her mid 30's and is a great looking girl, the pictures do not do her any justice on her website. She has great legs and a wicked sense of humour.

The Story:

Arrived to be met with Nikki wearing basque and stockings and led straight into the room. Stripped and great OWO. What followed can only be described as mind blowing, with Nikki enjoying it as much as I did, and leaving no part of each other bodies untouched. A mind blowing experience and well reccomended.
