### The Premises:

Brooklyns has recently been refurbished and extended; and they have done a good job. The very large front room of yore has been made slightly smaller (and cozier); and now there is a new office, WC and extra bedroom.

### The Lady:

Eva is a stunning thirty-something with a superb fully-shaven body and very glamorous looks. She is slim, with nice tanned skin and lovely boobs. She is good company, very bright, and is much more than a pretty face.

### The Story:

First, (to dispel a myth from one report): Eve does not do OWO for free, but charges a tenner like everyone else. Secondly, although she is reported as being a generous french kisser, she will not kiss if you have a beard. She likes clean-shaven and will tolerate a mustache; but beards are out. One is perhaps tempted to shave!

Having said that, Eve was not a disappointment. Far from it! She entered the room and soon removed her bustier and knickers to reveal her delightfully well-formed figure. (She now wore just her sexy stockings and high heels). We got down to business with covered oral followed by missionary exercises. Although I much prefer sex with kissing, we managed to have a very good time. Afterwards, Eve stayed and chatted, which is always nice.

Eve is something of a find. I was very impressed with her, and I shall return. Highly recommended!
