### The Premises:

Cottage set back off main road, good parking, easy entry. Clean and tidy

### The Lady:

A lovely petite lady, educated and a good conversationalist.

### The Story:

Small, but perfectly formed, this lady knows how to please. She likes variety, there is no set order and she can vary the pace to ensure nothing happens too soon. Time starts when the action starts and not when you walk in the door as some establishments do. This means a full hour with time to build up and time to relax afterwards. I shall certainly be returning when I am next in the area.
