The Premises:

Good location in a block off Edgware Rd that a number of working girls use. safe, clean and comfortable.

The Lady:

The photos are not totally like the lady although this is not a criticism, she is certainly pretty and has an excellent body. B cups but natural and soft. Large nipples which are very sensitive. Shaven, with big pussy lips.

The Story:

Silvia was certainly the kisser that the other reviews suggested. As soon as I was in the door she was kissing me. Dressed in the sexy lingerie requested, sexy and suggestive but not a huge amount of talk (mind you I wasn't there for debate). Offered a shower but I had just had one. Moved to the bed and kissed furiously, clothes off quickly and BBJ started. I moved down her body kissing her breasts but she seemed almost too sensitive for that and it seemed as if it was hurting her although I was not biting. (at least as far as I was aware). Large and stand out nipples. Then moved right on down to DATY which she enjoyed.

The only problem with Silvia was that she had oral hygiene problems and although she was pretty, did everything I asked, and enjoyed it as well, the kissing could have been cleaner if she had sweeter breath. Not rancid, but just enough of an odour that was offputting.

I ended up getting a very good BBJ to CIM kneeling on the bed with her head in my lap, pumping into her mouth, emptying the whole load deep in her mouth which she took without a whimper. Off to the loo to discretely spit I guess.

Too tired to do anything else although she did quite a lot of manual stimulation while I fingered her pussy (almost coming on her belly).

Would I return? No I don't think so, not great enough and the breath issue - there are plenty of others much better. I had an hour with an Asian cutie the next day which was stellar by comparison. Pity, as I don't like giving bad reviews and she was a sweet girl otherwise.
