The Story:

Alex is physically attractive but was a disappointing punt. No GFE offered! She was quiet, pleasant-natured and did the job without complaint but it was very obvious that she didn't want to be there. Lazy massage followed by average Oral with condom; to give her oral/69 would've cost 20 extra so I didn't bother; she asked me to go on top first, then when I asked she reluctantly agreed to go on top. Showed little to no interest in me, conversation was forced on her part and she couldn't wait for it to be over.
