### The Premises:

Well known block in Paddington, near Edgware Rd tube. Safe and secure. The apartment was a small studio. The "bed" was a fold out couch! The bathroom was filthy. There were large skidmarks in the toilet bowl.

### The Lady:

The girl was nice looking but not the girl in the photographs. She had much smaller breasts (size A) and a different shaped body. Not really my type.

### The Story:

Overall very bad experience with some good bits. Arrived on time. Rang the doorbell several times without response. Was suddenly called by the agency to say that Magda was still on her way home and that I should go and have a coffee. I reluctantly agreed. Was called again about 15 minutes later to announce that Magda was ready to see me(lucky me hey?). Went up to the apartment and was left standing in the hallway for a further 5 minutes whilst she scurried about in the flat getting ready. Was finally let in. Initially, I was disappointed. This was the second time that day that I was presented with a girl who did not match the photographs (the atrocious Brazilian Kerry from Notting Hill being the other).

Was offered a drink, then stood in the apartment for another five minutes while she took several phonecalls and went in and out of the bathroom.

It was close to 13:55, 30 minutes after the original booking time, before she actually paid any proper attention.

Had a quick chat. She was smart and amiable on a superficial level. This put me at ease. She undressed me and was complimentary, which was also nice.

She gave me a nice OWO, then pushed me down on the bed and reversed into a 69. Her pussy was wet and tasty.

She then put on a rubber and she jumped on top. After a short while, I stood up, ripped off the rubber and let her suck me again. Her technique is very good.

I then asked to fuck her. She put another rubber on and got on all fours for me. She made the right noises and soon enough I had come.

We had another chat. She was interesting and showed genuine interest in me.

At 14.30, I attempted to start up for a second round. To my astonishment, she jumped up, put on a t-shirt and declared that time was up and that I could only cum once per hour session.

So for 200 quid, I got about 30 minutes of action. Ludicrous.

At this I was genuinely annoyed. Realising that the mood was destroyed and such a situation was not an ideal one to get angry in, I got dressed, exchanged pleasantries and left.

I called the agency and listed my litany of grievances. They were apologetic and eventually agreed to a discount on another girl at some future date.

This girl had patches of brilliance but on the whole needs to sort out the attitude. I am the customer. I was patient and held up my end of the bargain - more than necessary. She should learn that.

It is a shame but I cannot recommend her.
