The Premises:

Messy.

The Lady:

Her pictures are misleading, she's a lot heavier, fake boobs, face not so pretty. No doubt that she was 24y old, maybe 10 or 15 years ago. At present she's well past her sell date.

The Story:

Her page on the agency website says: All services provided, nothing more far from the truth. Despite me being fresh of shower, shaved and nice as usual, she was distant and uninterested, clearly she had been in this business for quite a long time, knows all the tricks to waste time. Oral was rushed and mostly just a handjob, sex wasn't good either, she even had problems to spread her legs, anal was refused. After just 30min i decided that was better leave. Her attitude was poor definitely a waste of time and money.
