Very good place as described on other reports

### The Lady:

Quite Chunky but well proportioned nice biggish ass, a black womans ass she called it. I think she is mixed race not the prettist girl at head office but not bad

### The Story:

As usual i showered and dressed in stockings and thong panties. Hannah entered the room and looked good in stockings and basque. She started with a massage which was very good running hr tongue over by back she kissed my ears which i like and run her tongue up my stocking covered legs. She rolled me over and rubbed my cock through my panties something i love. She ran her tongue either side of my panties and now erect dick. She offered OWO for ?10 extra which i accepted boy can she suck she deep throated my cock which was awesome. I asked her to bend over so i could rub her ass the sight of her ting black thong splitting her arse and pussy was to die for and i gently rubbed her shaven haven. She rolled over and sucked my cock again then slipped on a condom for some sex. We started in missionary position and she hugged me close whic was nice as she gyrated her fanny, i then took her from behind which was equally good. I then asked her to get on top which she did in reverse cow girl fashion and bounced up and down for all she was worth. I wanted to come in her mouth which she had offered earlier and this was another ?20(a bit pricey i think) but as i had only paid ?40 entrance as it was a weekend i was happy to pay the extra. She sucked my cock harder and harder and i shot my hot cum in her mouth FANTASTIC, then just to prove what a dirty bitch she is Hannah swallowed the lot, god i love it when a woman does that. She offers other extras if you want and i may plump for shagging her arse next time, and i think i will get her to sit on my face this girl i believe will get better the more you visit so i will be seeing her again. thanks Hannah
