### The Premises:

Everyone speaks well of the appointments and ambience at IM, and I am no exception.

### The Lady:

Very pretty, dainty and petite - even more so than she looks in the photos on the site, and somewhat more blonde as well. Breasts extremely small, but with nipples of a most pleasing pinkness.

### The Story:

Was offered option of a bath, which I declined having just had one. Set about removing her clothes (just a bra and pants) and admiring her beauty. She offered a not very serious massage, which I accepted, before setting about the main event. Offered owo, but declined as I prefer the lower opening. Because she's so small, I had her start on top, which I found especially good, as she has such a wriggly little body.

Afterwards we chatted, and I found her conversation charming. When it was getting on for time to go, she even offered me a drink, and trotted out to get a glass of wine to speed me on my way.
