The Premises:

Her place was very clean, it was in a nice part of Hemel Hempstead and felt totally safe going there, and was away from any main roads.

The Lady:

She looked absolutely stunning when I arrived, her pictures on her website are definitely accurate. Then looked even better later on when she took off her clothes. Her breasts were absolutely magnificent.

The Story:

When I got there i was offered a drink, which i turned down, so we headed straight to the bedroom.

She noticed that i was quite nervous so took the lead. We started off with some very sensual kissing which had the desired effect. She noticed the bulge in my jeans so started to take off my shirt, followed very quickly by my jeans and boxers, at this point she was very complimentary.

We then kissed a bit more before moving onto the bed where I discovered that the reports of her OWO were correct, it was fantastic! I had to stop her after a few minutes otherwise I would have cum way to soon.

She then slipped on the condom, and we started off with her on top which felt superb. We then tried a bit of missionary, although i struggle at this because of my long legs.

Was then back to OWO, where this time I let her keep on going until i did CUM (Pia does not offer CIM though), and it felt fantastic. For the last 15 minutes we just lay on the bed chatting, until it was time for me to go.

I think it's safe to say that I will definitely be back, and hopefully won't be quite as nervous next time.
