The Premises:

Her 'boudoir' was clean and safe, and decorated in a style that was definitely in keeping with the lady - dark and sultry. It felt safe, and was easy to find

The Lady:

She looks as good in real life as she is in her pictures - well worth the the visit, charming and friendly.

The Story:

Had a great time - she met me near a local pub after I spent a few minutes in a local coffee shop, and then to her place. Started off with a Gin and Tonic, and a chat to relax. Had a really good time, and I hope that she enjoyed herself as well.

A really special lady!!
