The Premises:

Dirty, back street semi. Was safe, but filthy. She told me to close the door in case someone else came!

The Lady:

Large, unattractive, dressed in pyjamas. house was dark and she had just woken up, despite having called 2 hrs earlier to arrange it...

The Story:

Had Bj... she was enthusiastic, but honestly not worth the money...

The whole place turned me off.. the porn film she had on was so cheesy.

She wanted to suck and go... I wanted to go!!!

She did get me off eventually. but by hand more than mouth and she swallowed.

Do not go...
