The Story:

Annie has some good reports on this site and they are absolutely accurate. She looked stunning and the service was fantastic. I won't go into the full details but from the warm welcome (with tongues and some sexy lingerie and a beer), to the hot sensuous shared bubble bath afterwards, she is considerate, sexy, sensual, passionate and knocks herself out to gauge what you want and to give it to you plus more in spades. Very memorable and arousing experience.

During the massage afterwards, she mentioned to me that she had some sort of argument with another agency, Asian Selection, where she is advertised as Kitty. The agency there claims she is not working any more (or is ?off duty?) and claims to have had 3 bad reports against her ? yet the same website carries 9 extremely positive reviews, mostly 10 out of 10. She was upset as she said the agency's comments were unfair and untrue ? which I can believe from the service she gave me. She told me the agency is punishing her because it is actually a dispute over payment between them and not because of any bad reviews. I don;t know the full details but I can certainly say from my own experience that she is extremely client-friendly and a great bet for a deeply passionate encounter
