The Premises:

Easy to find, good parking as on website, felt perfectly safe. Friendly and efficient receptionist - Sarah. Waiting room could do with a little re-furb but the 'business' room was ideal. Super round bed and mirrors in all the right places. Beautifully warm on a bitterly cold evening.

The Lady:

Lithe, toned and tanned, just as website but possibly Amber has lost a little weight since photos were taken - no problem because she still has the most marvellous figure! Dressed to excite - revealing lots but leaving sufficient for the imagination! Very exciting.

The Story:

Not a blow by blow account - suffice to say that it was my best punt ever. Amber was attentive to my needs and understood my weaknesses. She 'went the extra mile' to ensure that I was fully satisfied in every way and she appeared to enjoy herself, so I must have got something right! Next time I am in the north west I will seek her out rather than visit the 'production line palaces' of Manchester.

She is a gem and thoroughly recommended.

Thank you, Amber, for making a sexagenarian, soon to be a septuagenarian, very happy without being patronising or disdainful of age. No girl I have met previously has had that knack!
