The Premises:

I'm a bit of a regular and i always find the place to be immaculate, discrete and the "management" warm and welcoming (especially the receptionists bosom!).

The Lady:

About 5'7"" tall, long dark hair, sparkling blue eyes, perfectly proportioned sexy body, lovely tits..... and a beautiful face! She has a picture on the website i see.

The Story:

Sometimes you get lucky and i have had 2 wonderful experiences at IM in recent weeks with Jennifer and now Raquel. (I'll report seperately on Jennifer). I was a little circumspect initially as the pic on the website wasn't the most flattering (made her look a little harsh) but i thought i would go meet her and if i didn't like her i was sure the establishment could furnish me with another option. How wrong could i be? She walked in in a black lacey dress/sarong thing and gave me a lovely smile - not what i'd expected! we then proceeded to undress each other and before i knew it i was nude and very erect! she gave me some great mouth work on the old chap (she does OWO at her discretion i found out - and my luck was in!) and then teased tickled fondled sucked and stroked such that i was in absolute heaven and ready to explode whenever she deemed it to be required. Great kissing too!

Eventually she looked down at me from behind two beautiful orbs of tittie flesh perfection and in her deep sexy Czech accent said "i vant you to furck me please". What's a boy to do? on with the cover and on with the fucking! she is a real participant - in honesty, she fucked me, i just got on the right end of it. Great moves, a terrific hip gyrator, i really felt like i was being treated extra special. i have to say that apart from my experience with Jennifer the time i spent with Raquel (i thought she was called Rachel which is what i kept saying to her!) was sublime and blissful and the best sex i have had for the longest time - if anyone remembers EllieMK, she is in that class.

in the end time was running low (my shout not hers) so i asked her to wank me - and boy was that good too! The fountain erupted and shot maybe 3 feet in the air (seriously) unfortunately hitting the wall (sorry management, i think we cleaned it up).

In summary, go and see this lovely girl - i am, today!!
