The Premises:

Great - discrete, clean and welcoming.

The Lady:

Perfection. Facially (i think) she's a dead ringer for Jennifer Love Hewitt (maybe THATS why she chose her working name!!). Bodily she is perfect too - unblemished, slim, fulsome in the breast and lovely taste in undies. Squeaky clean and fresh down under too. The thing that really tops it off for me is her accent - its a funny mix of czech (i think) and cockney!!! very sexy! Sweet sweet sexy girl.

The Story:

Well i think she is perfect and i am rarely drawn back to the same lady. For me, I hope she takes up residence in Bedford for the next 20 years because i could quite easily be a regular for that long!

I have seen her 3 times now and each time has been sensual, exciting and fulfilling. She really tries hard to please. i really love the way she looks into my eyes as she sucks me..... she has beautiful eyes and a naughty mouth. i almost feel guilty as she comes across so sweet and innocent but when she starts working her magic you quickly ignore that sentiment! She really knows how to please the male form.....

I'm not going to go into a blow by blow account (pardon the pun) but suffice to say she is very sexy, very giving and sensual and i totally recommend her. If i were 20 years younger i'd want to marry her but then if i were 20 years younger i wouldn't be doing this to get my jollies!!!
