### The Premises:

Establishment well reported on, clean and very acceptable, a little bit open to public especially if the town is busy but ok when I visited

### The Lady:

WOW!!! several times over. Eve is a milk chocolate piece of magic from Portugal and I just wanted to eat her all up. The nicest figure (Natural) and smoothest skin I have ever had the pleasure of carressing.

### The Story:

Lovely relaxing massage followed by expert oral and then at my request, as it was something I wanted to try, allowed anal entry. Unfortunately for me as a elder statesman my erection didnt come up to standard and I couldn't get entered to her super tight arse so went to doggie style sex instead. Not a rusher, stayed at the end and after a sexy naked cuddle she watched me dress, held a good conversation and gave me a kiss goodbye

Cant wait to go and see her again
