The Story:

Trisha ouses sex, and relaxed me straight away. It was a change to find a lady who was more concerned that I had a good time, before collectig the fee. After a kiss and cuddle, with Trisha's guidance my fingers soon had her groaning with pleasure, and yes she did squirt or should I say gush. Ttisha's expert uncovered oral techniques soon had me coming as well, she didn't spill a drop. After more kissing, cuddling, touching and interesting conversation, Trisha asked me which position I preffered, and putting on the condom, got on top. A slow rocking motion, soon had Trisha coming again. Off with the condom, and kneeling over me. she gave me more expert oral. Presenting me with such a sweet looking pussy, I couldn't ressisit using my fingers again. I came and then Trisha gushed and gushed hot sticky cum all down my arm. 3, 2 to Trisha, but I'll be back. Seriously Ican't remember the last time I came twice, but with Trisha, there was no problem. Simply the BEST !!
