The Premises:

High Street North in Dunstable, access is via a staircase at the rear of the shops. Perfectly safe and discreet, clean and tidy.

The Lady:

Mature MILF, nice boobs. Probably 40ish, certainly not the 30 as deccribed by the receptionist.

The Story:

Saskia had a generally filthy look about her, that made me think that she would be well worth spending some time with.

It proved to be a well founded hunch, and one that I would certainly repeat !

Started with a masssage, and OWO. The ball sucking was exceptional, and whilst she had my cock deep in her mouth, let her fingers wonder. She then asked me to get on all fours, and proceeded to rim, then finger my rusty sheriff's badge. After a large sniff of poppers and Saskia on her back rubbing her clit, I fucked her mouth, before unloading a hot stream of love paste all over her great titties.....
