The Premises:

Clean tidy basement flat 5 minutes from paddington station. Mirrored wall which makes it quite an interesting retreat.

The Lady:

Shapely and striking like her photos but more 'latin' looking. Small and perfectly formed is the best way of describing Vicky, shorter than the 5'3" of her profile, lovely shape, mischievous eyes, rich black hair, responsive nipples and pussy and a fresh burn mark on her bottom where she sat on her hair straighteners!

The Story:

I had a great hour with Vicky - after a minor confusion with the booking, I arrived and was immediately struck by the size difference - she seemed tiny against my 6' frame. However, what she lacks in stature she more than makes up in enthusiasm and energy. I got the feeling that she's up for anything if you treat her nicely - she was clearly enjoying her job with me. I'm not a big fan of detailing every thrust and angle and in this case it's just as well because I enjoyed fucking her in mish so much the first time that I did exactly the same thing for seconds! Great fun and a great fuck, highly recommended.
