### The Premises:

A nice flat in a big block, discreet and clean.

### The Lady:

Good looking, slim and young (early twenties I should say). Dressed sexily, a lovely smile and a nice tight bum.

### The Story:

She is a warm person and enjoys what she does. She's just amazing, very young and so sweet. Has been a great experience she gave a vigorous (and very sensual) massage and an amazing deep-throat blowjob. I had to ask her to slow down for fear of coming too quickly so we continued french kissing. I asked to kiss her kitten and I'm glad I did because she went wild. She obviously loves oral sex and came bucket loads. She then almost begged me to fuck her which I did in many position. She was still going mad and when, after a short time I said I was going to come she begged me not to stop and tried to hold me in but I could not hold back. Annie is a thoroughly charming lady who is very enthusiastic about her work. She is extremely friendly, funny and a major boost to the ego. I'll definitely be back...and soon.
