My very first punt... WOW she is a really fab girl... Some of the reviews do not do her justice.. She gave me a great time.. I have been monitoring her since just so I know where she is.. I want to see her again..

She did not tell me or show me until after we had done the bussssss that she is soooo flexi... legs behind her neck and all that... wow..

I found her so understanding that I was nervous.. wonderful lady.... Taken me some time to write this, no reason that makes sense

Vanessa I look forward to seeing you soon... PBear..

The Lady:

Really fit... slim... yummy
