The Story:

Haven't posted a FR for a while but felt I had such a good experience it was worth doing. I've become a big fan of massage with HR and so liked the sound of Sasha's Tantric offering. There seems to be a lot of chat about massage with HJ and - when done well, I know why. I wasn't disappointed, Sasha's welcome made me feel relaxed and the massage was genuine - very relaxing and also keeping me hard in anticipation. Moving to the bedroom I was able to see more of her body - slim and toned - she gave me fantastic covered oral (normally i struggle to get interested when it's covered) and finished off with a very oily hand job - a really intense load given the hour long build up. Sasha is a really genuine friendly attractive lady - the tantric experience left me relaxed and exhilarated.
