The Premises:

This place is located very near to Bounds Green tube station. It is very well decorated inside.

The Lady:

Both girls are from Poland and are slim with medium sized breasts. They are friendly and provide a massage service with a happy ending finish.

The Story:

I was held up on the journey owing as per usual to problems on the tube. On arrival at the house, I waited in the lounge area and could hear another punter in conversation. After about 10 minutes I went into the bedroom and waited by the massage table. After a further 10 minutes the two girls entered the room and I handed over the first payment of ?40 for a two girl massage. I usually prefer a one girl session, but this time I was being greedy. Both girls were fully dressed which I think is good. Violetta had a revealing top on and her breasts looked very luscious.

The massage was very relaxing and I found myself dozing off, but luckily there was a lot of ball stroking and I felt sufficiently aroused. I eventually turned over and the girls began to masturbate me. I was surprised the offer of topless wasn't mentioned so I asked myself. I was very happy to pay ?20 each to both girls and I'm glad I did because they both have lovely breasts to suck and fondle. I was soon spurting and the afterglow made it all worthwhile.

This is a very busy place and there is a problem with punters coming in and out and that made me feel very edgy. If I do go again I will choose one girl.
