### The Lady:

Inga is a good looking lady, but her pictures on the site make her look a bit more younger and a bit more innocent than she appears in person. Inga is a tall lady, and is big boned, and, while there is some extra cushion for pushin, she is nowhere near bbw, etc. shaved.

### The Story:

The first thing Inga did when she walked in was demand taxi fare in addition to the fee, which was put off. I have used this agency on occasion, and this was a first for the taxi fare request at the start. I don't mind doing it, but the beginning demand is off putting.

Inga speaks decent english, but was nonetheless difficult to get a rapport going. I don't think she understood many of my mannerisms, comments, or sarcastic jokes. She does not prefer owo. No A-level, and, in talking about A-level, it was apparent that she was taking my comments about asking for it different from what was being said, or meant. Friendly banter was lost in the translation.

We did jump on the bed, with a cbj, and then onto sex, covered. After round one, we played with each other, got ready for round two, and climbed back on missionary, covered, to completion. Round three was doggy, but ended before climax, my choice. Finally, a bbbj, slide it between her nice titties, with instructions of do not cum, and ended up releasing what was left on them.

For the straight physical part, Inga was ok, but the desire to go cbj, and misinterpretation of some of our conversation, make me say that i may go back for an hour, but I would have to think about it. And, for the right guy, she may be great. I will give a yes and a yes, because I don't think she deserves a black mark of the no and a no.
