The Premises:

Well reported before. Best thing for me is it is very discreet.

The Lady:

Wow. Lisa is sex on legs. If you like your packages small dark haired and perfectly formed. Looks elegant, and dresses to kill

The Story:

I am not going into graphic detail. I will say that she says she offers and enjoys the full Girlfriend experience. I can not argue with that.

I did not feel rushed. i was treated like visiting royalty to start with by the staff there.

We talked , we had fun , we talked some more, then had more fun. I am sure if no one else had come in I would still be there now.

I can not praise Lisa , or the establishment high enough. Before I went I had checked out punternet and noticed the large amount of reports on this place and I thought that some if not most where plants, trust me they are not.

It has a 5 star rating in Mccoys, it is well deserved
