The Premises:

At first it was hard to find the place but I got help on the phone by the sweet receptionist. This place is on the main high street but well hidden. Went in into the bedroom that was well decorated so I knew I was in a professional establishment.

The Lady:

Reena is a stunning I down lady and she is as good in person then seeing her pictures on the website.

The Story:

Reena is a sweet lady and put me into a right horny mood. Great service which included a full gfe and that includes oral both ways, deep French kiss and the full works basically.
