The Premises:

Loads of parking and easy to find. Quite discrete as front door entrance is down a fenced path. Nice inside, had shower, clean, warm(ish) it was very cold out. Had a cup of tea too..

The Lady:

Buna is nice, smiles alot, and speaks good enough English. She's from South America and has the body to match. Firm and curvy and a pretty face too.

The Story:

They do a four handed massage.. Thai style done by pro masseuses and it's very very good. After which Buna came in.. and we did what i wanted, good fun. it really is a perfect way to relax.
