### The Premises:

Very safe area of Nottingham, 10 mins off J25/A52 of the M1. Can park on same street and was given directions after confirming my appointment. Once parked i was given the house number and was let in by a side door. No nosey neighbours and is a busyish area so you don't stand out.

### The Lady:

She is exactly as the pictures on her website, better i'd say, and she is very pretty underneath those masks! Long hair, mid 20's, great figure and good looking.

### The Story:

Has several previous good reports under Mistress "R" FR81967/85305, which recommended her, plus a great website, and it was time and money well spent paying her a visit. After giving the Mistress her tribute, i was led upstairs to her brand new chamber. Recently decorated, the large equipment is new, everything is done in gold and is visually impressive upon entering.

It's been a while since i saw a Dominatrix, obviously there's no sex involved only domination and i was quite nervous, but Mistress Roxie put me at ease with her friendly personality and i felt comfortable with her. She then re-entered the chamber in a figure hugging black PVC dress and proceeded to make me submit by strapping me to her huge St Andrews cross and stretching me, whilst giving me nipple torture and some light CBT. Very articulate, imaginative and experienced, she took the brief scenario i gave and brought it to life. Taunting and teasing me while i was helpless, she then forced me over the whipping bench, tied me up, and spanked me first with her hand, then with a paddle and cane. I was then allowed to give foot and leg worship towards the end. I am planning to go back and enact another scenario i have in mind now.

She asserts herself as the best Dominatrix in the East Midlands and i would be hard pressed to argue with that - thank you Mistress Roxie, i will definately be back for more of you!
