### The Premises:

The premises are spotless throughout & superior to any other establishment I have ever visited by far. The owner(s) have spent a fortune making it a paradise with superb facilities, jacuzzis, wonderful receptionist, Elaine, who was unbelievably attractive but unfortunately wasn't "up for grabs!" The Ferrari, Porsche & Mercedes parked outside bear testimony to the clientele.

### The Lady:

Very attractive young lady in her 20's whom I had seen on the net & wished to get acquainted with. Fairly tall, died hair, very busty, small waist -- "fit as a butcher's dog!!!" She made my day & hopefully I made hers too!

### The Story:

Elaine the receptionist kick-started the jacuzzi but wouldn't sadly give me a personal demo.

However after sitting in it & relaxing for a couple of minutes the door handle turned & a vision of beauty appeared, stripped off & climbed in opposite. Nice body contact & chat plus quick kiss, dry off & onto the nearby bed for some fun & games.

Gemma gave me a nice soothing massage, which was great as my back was aching goodstyle from a recent gym visit. Flipped over & she poured lots of oil over my hard cock & proceeded to wank it & massage my balls. A delightful experience followed by my snorting some rush & asking her to chew on the balls, which she duly did. Seventh heaven I think the phrase is. Stopped myself from spurting several times & then massaged Gemma, which eventually managed to manifest itself into a 69 with us both sucking away & my tongueing her bum which she seemed to love.

Changed onto rubber mack sex with Gemma in cowgirl & then her preferred style= doggy. Great for both of us but I needed more ball attention. Off with the johnny & some more fantastic OWO & ball slurping, which eventually ended up in my shooting a whole week's load of come high over the bed. A real weight off my mind/bollox & a tremendously enjoyable experience with a remarkable girl. I'll defo be back as there are so many beautiful girls working there.
