The Premises:

Easy to find location, but at the far end of south east London. In between and round the back of a row of shops. Rang the bell and buzzed in. The room where the encounter was held was more than adequate, which had a cold water dispenser which proved to be very refreshing later on as we took a break from our activities.

The Lady:

Absolutely stunning half-Spanish and half-Malaysian pocket rocket of raunch and sexiness. Perfectly formed with a lovely pair of breasts and a cute arse. Easy to talk to and a great person to spend the hour with.

The Story:

When I arrived I got shown into one of the rooms which was decked out all in red and crimson. The madam asked me to wait there and she'll show the girls in. So I sat on the bed for a few minutes, and then the first girl came in. She was OK. Then a few minutes later the second girl came in, and straight away I could see that she was a knock-out. She too was dressed in a bra & panties ? but what a shapely body! I was given the choice of regular sex for ?120 or ?160 for ?everything?. I asked her what did ?everything? include? She laughed and turned her head to one side and said ?everything means ev-ver-ry thing!? I was sufficiently hooked in, so I went for the greedy boy option. What followed was an hour of unrestrained raunch!

Stephanie started off the OWO by asking me if I would like it fast & furious or slow & sensuous. Such commitment to customer care! What followed was a whole range of sensual experiences, including CG, face sitting, 69 (where I had my first pop), massage, reverse O, OWO, mish and more OWO where I had pop no.2.

Stephanie is a true professional who knows how to deliver a good time. An hour just ain't long enough!
