### The Premises:

Victoria house is very well run, clean tidy and made to feel welcome at all times. Car park available a little further up in the town if you don't want to try and get in through the archway.

### The Lady:

Dark haired 5ft 11inch Goddess in her mid twenties, brought a smile to my face before we even started, Elle has a body to die for and a fantastic personality.

### The Story:

As this was my first time apart from a disaster with another parlour some years ago Ellie soon put me at ease. Staring off with a superb massage with oils and light hearted conversation it wasn't long before I felt I had knew Ellie for ages. (By the way thanks for the shoulder it feels great now x). As for the next stage every thing was explained very well and I had the time of my life, I just cant wait till I can get back to see this wonderful lady.
