The Lady:

She looks better in real life than her photos, petite, bubbly, Scottish, gorgeous figure and what a gem!

The Story:

I booked Bonnie as I had seen her some time ago at her previous workplace. I was amazed that she remembered the conversation we had had!

Have now seen Bonnie three times and on all occasions my needs were fully met. We communicated beforehand and she spent time getting my instructions into place.

She carried these out though I won't go into details! Enjoyed her pampering especially body to body massage and lots of fun and frolics. She aims to please and really enjoys her work especially the body to body and her Magic Wand. The best bit was tasting her lovely pussy !

Will be cumming back for more?.

Oh and course she has lovely lovely feet
