### The Premises:

Immaculate ground floor flat, nice area, felt safe at all times, parking a plenty, take shoes off. Started on a professional massage table before moving next door to the bedroom for a `happy ending`.

### The Lady:

Tall, statuesque, good looking, tanned, leggy, busty, all in all a sexy milf. Very clean and presentable. Down to earth personality, easy to talk to and friendly. Dressed in sexy basque and suspenders and thong, certainly looked the part.

### The Story:

Booked in for the tantric happy endings massage for 1hr ?80, arrived and was led into the massage room, undressed and laid face down on the massage table. Proceeded with 30mins or so of good massage with subtle attention to vital areas which produced the required response from my penis, before being led to the bedroom (complete with full erection) for the ending. Then a little bit of covered oral, which was ok but I'm not a fan of oral with and so then a bit of reverse oral before an oily handjob to finish. Produced a decent load.

Overall good time had, have experienced better of this type of service for cheaper but you won't be disappointed here. If I return I might go for the full service and penetrate her pussy.
