The Premises:

A discreet and impeccable flat in the heart of Central London.

The Lady:

Average looking Indian girl in her late twenties. About 5ft 2? tall, slightly curvier and darker than the photos on the website, nevertheless very busty.

The Story:

I first saw Roshni's photos on face book (as I don't usually look at the late night rota on their website) and I decided to pay her a visit. This has to be the best punt that I have ever had.

Roshni gave me a very nice and relaxing but not erotic massage to start with.

After that, I asked her if she could talk dirty to me but she said she was not comfortable with it. She was actually quite shy and reserved.

I told her not too worry, just lie down, relax and I will do the rest.

I started off by licking and kissing her ears, then her cheeks, and then I spent quite some time sucking, licking and biting her massive tits. I then kissed almost every single part of her body before I went down on her. When I started kissing her pussy, she was already very wet. By this time, she has already transformed to another person. She started moaning and groaning and she begged me to lick her pussy and encouraged me by kept rubbing her pussy against my face.

Suddenly, she got hold my arm, pulled me to lie down on the bed, put a condom on, and then started sucking me. She eventually moved to the 69 position.

?Don?t you stop now, keep licking my cunt, come on, lick it deep inside now.? she said and she kept on sucking me like a trooper

I eventually had to tell her to slow down or else I might cum.

?Don?t you dare to fucking cum now! You still haven?t fucked me yet, I want more, and I will fuck you right now!? that was the exact words that she said to me.

She then moved to the cowgirl and started riding me as if there is no tomorrow. She was so wet that she did not even have to use any lube, and amazingly, her pussy is extremely tight for a WG.

? I am going to cum now and I want you to fucking shoot your loads inside me right now? she screamed and I could feel her pussy started contracting as well. I couldn?t hold it any longer either??

Afterwards, while my cock was still inside her, she collapsed and lied motionless on top of me trying to get her breath back. She then gave me a juicy kiss on my forehead and whispered in my ear:? That was nice, darling.?

She then cleaned me up and I walked out with a big smile on my face.

That was the best ?90 that I have ever spent..

Thank you Roshni for such a wonderful time and I am honoured to write mine and yours very first report.

Unfortunately, Roshni is only doing late night shifts at the moment. That means I will have to stay up late if I were to see her again. I sincerely hope that she will get some day shifts from Indian Palace.

Gents, I will highly recommended Roshni. Although she sometimes can be quite cool and shy, but once you have pressed the right button, she will transform into a horny bitch.

As Arnold said,? I will be back!?
