The Premises:

Nice clean flat, close to train station so easy to get to.

The Lady:

Short, petite and curvaceous - exactly how I like a woman to be!! Very, very sexy, with beautiful augmented breasts, great butt, fine legs and the sweetest pussy. Perfect.

The Story:

This is actually the third time I have been to see Annie, but I was unaware of this site until now.

Annie is a very warm and friendly person - the sex to one side, she's the type of person I'd love to socialise with just to be around her.

She always makes me feel very at home with conversation and a drink. She's such a sweetheart that you can't help but feel sorry for her having to do this for a living - but then again, if she didn't, I'd never have met her!!!

She is very well presented and clean, dressed very sexily on each occasion I've seen her. On the subject of her being clean, so should you be if you go to see her. She has mentioned before how some of her clients are not, which must make a tough job much harder and disgusting.

Annie is very keen to please, both giving and receiving oral - I could eat her pussy and ass all day long, they taste so damn good!! And she responds well to receiving oral - I believe she is genuinely cumming she pushes so hard against my mouth!!

Great sex - she particularly likes it on her back with her legs up and doggy. Always enthusiastic during sex, with great moaning and groaning!! She does do anal - which is great - but treat her gently as she is only small and it can otherwise be a bit uncomfortable for her.

She seems genuinely enthusiastic about giving me a great time, encouraging me to get hard again after I have cum. I think she would do anything (within reason) to please. The world is a better place

to be with Annie in it.

A true pleasure - I will be returning!!!
