The Story:

The girl I met was pretty and she was Korean, but it definately was not the one in the photos! Waited for a while in the lobby as I arrived early, waiting for a while and wasn't until 12:15 that I was given the call to say I could go up to the room, not a great start but I thought it would be worth the wait. I decided to go with OWO and CIM, from this point I expected the full service, we started with a massage she then turned me over and started with the OWO before I knew she was telling me to cum, I asked if I could cum twice she said no, I wanted to get to the sex but she insisted I finish off.. She then went off to wash her hair!!! I was left there watching TV and I thought there would be full sex, when she finished we chatted a little but mostly watching TV, then about 12:45 /12:50 she said the time was up!!! I am totally, totally disappointed, left feeling pissed off and wasted ??170, yes ??170 not ??150, so not only did I not get the main part of the service, I had to pay more for it. Unacceptable, dissapointing and wasted my money.

Avoid at all costs!!!
