### The Premises:

Large, clean and comfortable 2nd floor flat on Southchurch Road, couple of minutes drive from the Kursaal. Free parking is available right outside.

Although it was quiet, I did feel a little conspicuous as the flat is on a main road and there is bus stop right outside. Worse however is the entrance to the flats; there is no lighting inside the main entrance, so after dark it is difficult to see where you are going. It also feels somewhat unsafe as anyone can be hiding in a dark corner on the stairs.

### The Lady:

Holly is a pretty blonde Essex girl, around 30 years old. Website pics are accurate, although her boobs are a little saggy and she has a couple of scars on her stomach. She is a very friendly and bubbly girl, well worth visiting.

### The Story:

Another punter had just got to the flat before me, so was taken into the kitchen. There were 2 girls working, Holly and Jenny, but both were busy so decided to wait until Holly was free as I found her more attractive than Jenny. Was given a drink and a paper to read so the time soon went.

Soon I was shown into a large room and given the menu. Went for ?50 full personal, which seems cheap, but any extras such as kissing or uniforms are extra. The punt was good, nothing special but certainly enjoyable. After the massage, we had a cuddle and Holly then licked my nipples and I returned the favour. Oral was good, and we had sex with me on top. Sex was good, particularly looking at Holly's lovely face, and I soon filled the rubber. After cleaning me up, we had a nice chat. A good punt with a lovely girl. Would recommend this place as both the maid and other girl seemed friendly, despite my concerns over the stairway inside the flats.
