The Premises:

Top floor apartment. Very small, old and dated. Bathroom was dirty and bedroom very small. Area felt safe and near tube station.

The Lady:

Photoshop done a good job in making her look younger and hiding her scar from a cesarean. Stretch marks all over her belly and real. Very off putting, which is not shown on the photos.

The Story:

Photoshop did good job in her face and body but real person far from true. Big scar on belly obvious she had a cesarean. Not tone and not in sharpe. Much older then web site suggest. However, service was ok and willing to please. OWO was good and think CIM on offer. Sorry but will not return or recommend base on the scar.
