The Premises:

A very clean flat about 5 minutes walk from Chancery Lane Tube Station.

The Lady:

British Indian girl with a very pretty face. It is a pity that you can't see her face on the website photos as those photos don't do her any justice. Mid twenties, about 5 ft 4 inches tall. Curvy and very busty.

The Story:

Jada is facially very pretty, probably one of the prettiest Indian girl that I have seen in UK. She is also very intelligent and health conscious.

Unfortunately, Indian Palace only provides a vanilla service, i.e. no GFE or PSE, no French kissing, no OWO. Reverse oral is on the menu but Jada doesn't provide it. The only extra that she does is watersport but that is not really my thing.

Although it was only a vanilla service, Jada tried her very best to please me. The oral with was not a problem at all because she was bloody good at it.

We had sex in the doggy position first, then mish. She moaned gently while we were having sex and that was a turn on for me. I much prefer these gentle moans than those fake loud noises.

Overall, a satisfactory punt.

If you don't mind vanilla service and want to have sex with an intelligent and gorgeous looking busty girl, I would highly recommend Jada.

However, I don't think I will return as vanilla sex is not really my cup of tea.

Thanks Jada anyway for a very enjoyable afternoon
