### The Story:

This was my third visit to this wonderful little establishment, and I think I have found the star of the show. What I want from a punt is a starter of snogging, cuddles and laughing, very shortly followed by a main course which features a downright rude and dirty fuck. All done and dusted in 30 mins. And this what Susanna gave me last night. She's fantastic. I broke the bed again (see previous reports) and got lashings of 69 thrown in for free. glorious. My top tip? Put all the money you spend on beer, fags and Nuts magazine into a pot on the mantelpiece. Put a label on the pot with the legend 'Susanna'. Then get down to Kiss Kiss once a month and fill your boots. Obviously leave the label off the pot if you live with a significant other. Obviously. And please don't arrange to go when I plan to see her again. er.. ignore this last bit.
